

**RELEASE AND PARENTAL AGREEMENT
FOR STUDENT DRIVERS**

As a parent or guardian of a student attending Harvard Community Unit School District No. 50 (“School District”) and McHenry Community College (“MCC”), we hereby sign this Release and Agreement concerning student transportation. The signature(s) below indicate our consent to the transportation rules described in this Agreement. The signature of one Parent is considered binding upon the other Parent and on behalf of our child.

We understand that allowing students to transport themselves to school and between the School District and MCC is not a right, but a privilege. We also confirm that all students who are allowed to drive must comply with any and all rules established by the School District and /or MCC concerning driving. We understand that these rules will include, among others, that 1) students will not transport or maintain within vehicles any prohibited substances or items; 2) students will comply with all parking and vehicular rules of the School District and MCC; 3) students are only permitted to drive to and from the schools and not to other locations during the school day; and 4) students will not transport any other student(s) unless given written permission from an administrator in advance. We acknowledge that the privilege to drive between the School District and MCC can be revoked at any time by the School District for any reason, including breaking the rules concerning driving or any other misconduct, including off-campus conduct which violates the school rules.

Further, we understand that by driving to school, the vehicle driven may be subject to reasonable searches at the discretion of school personnel and any prohibited substances or items, if found within the vehicle, may be subject to seizure. We agree to provide proof of automobile insurance coverage and a valid Illinois driver’s license. We understand that during this time that a student may drive between the School District and MCC and park near the schools, he/she will not be supervised whatsoever by any staff or employee of the School District. I understand that there are risks involved in allowing my child to drive between the School District and MCC.

On behalf of ourselves and our child, jointly and individually, we hereby agree that we waive, release, and forever discharge the School District (or any of its Board members, agents, or employees) from any and all manner of actions, claims, demands, and all causes of action whatsoever, which any of us may acquire, by reason of personal injury, death, loss of or damage to personal property, or any claimed economic damage or inconvenience which may be related in any way our child driving to school and/or in between the School District and MCC.
